F. Board Discussion

We would like to post the Elementary Principal position for k-12. We reviewed potential questions for the interview. The Board asked Bruce if he would be interested in teaching industrial arts in combination with his Superintendent duties. His Principal duties would go to the new hire. Bruce will contact us via email with his decision.

We reviewed the Superintendent Evaluation part B- Community relations.

Kelly wanted it noted that with the new Administrative positions we should add something about incentives for increased pupil count.

8:05 motion to adjourn made by Klara Grondine, supported by Nick Hanchek.
Motion carried 7-0.

Respectfully Submitted
